How to Apply for TCNJ Admission/Matriculation

- PTC participants seeking TCNJ graduate credit will receive a **TCNJ PAWS ID** number in late August, once the PTC has forwarded grades and enrollment information to TCNJ.
- All new students will be registered as "visiting students" and will have access to official transcripts, TCNJ email, TCNJ library, and other TCNJ systems. Off-Site Graduate Programs will confirm graduate credit via email and provide login information at that time.
