THE COLLEGE OF NEW JERSEY
OFF-SITE GRADUATE PROGRAMS

Welcome to OSGP in Portugal

It has been wonderful to welcome students living and working all across the globe. As mentioned at Session I Orientation, students have traveled to Portugal from 30 countries (see above) and are engaging with their courses through a truly global mindset. Students are settling into the routine at Nova and have been able to take advantage of the bright indoor and outdoor space and connect with peers old and new. We kicked off the session with an evening orientation (complete with a beautiful Carcavelos sunset!), a program-wide photo shoot, and had the opportunity to share our thoughts through a focus group.
