

TCNJ Graduate Credit: Summer 2023

TCNJ's [Off-Site Graduate Programs \(OSGP\)](#) works cooperatively with the Principals' Training Center to provide graduate credit for the completion of specified PTC/TTC/TLI/EAL/CTC workshops. Participants may combine graduate credit from PTC courses with TCNJ programs in the following areas:

- Counselor Education (master's program available)
- Educational Leadership (master's and post-master's certificate programs available)
- Elementary or Secondary Education (master's and certificate programs available)
- Teaching ESL (master's and certificate programs available)

Participants may bank up to **12 credits (4 courses)** with TCNJ, to be applied to a master's degree and/or certificate program. OSGP degree and certificate programs strive to prepare a diverse community of international educators to lead positive change in schools throughout the world and courses are offered on a practical schedule, through both intensive in-person and online experiences.

OSGP is:

- Established: Catering to the unique needs of international educators for more than 40 years.
- Convenient: Travel to the US is NOT required of any program- all coursework is offered overseas or online.
- Accessible: Courses are condensed and offered at practical times/locations.

Interested in Graduate Credit?

We look forward to working with participants to discuss how PTC/TLI/EAL/CTC workshops can be banked as graduate credit.

- In Person (Rome): TCNJ representatives will be available throughout the Summer 2023 sessions to provide in person advisement and program planning. Please stop by our table to connect or email us at osgp@tcnj.edu if you have any questions.
- Online: OSGP will be hosting **group advising sessions** to guide participants on a plan of study to maximize current/future PTC courses to include as part of a TCNJ certificate or master's degree program. Please [register for advising sessions here](#). Upon receipt, an OSGP staff member will be in touch to confirm and to provide a Zoom link.

Next Steps

1. Please review the following materials to determine if your PTC courses can be "banked" at TCNJ:
 - [TCNJ/PTC Quick Sheet](#) (outlining equivalents for Summer 2023 offerings and general information)
 - TCNJ Program Planners (used to map out full TCNJ program, with PTC equivalencies)
 - [Counselor Education](#)
 - [Educational Leadership](#)
 - [Elementary or Secondary Education](#)
 - [Teaching ESL](#)

2. Register for graduate credit with PTC and complete required assignment/payment.
3. Students who have not banked credit previously with TCNJ must complete a [Visiting Student Application](#). From here, PTC participants will be assigned a TCNJ PAWS ID number and OSGP staff will process banked credit and grade.
4. OSGP will confirm registration with PTC participants in August. Information on future OSGP courses and instructions on how to order an official TCNJ transcript will be included in this communication.
5. OSGP students may take their first four (4) courses as a Visiting Student. After this time, to continue taking courses, students must [apply for admission](#) into their program of study. Detailed information will be provided during the August confirmation email.

Thank you for your interest in TCNJ's Off-Site Graduate Programs. We look forward to working with you soon.
