## Credit Banking & Admissions Information

### How do I bank my PTC courses with TCNJ?

1. Submit registration form and fee to your PTC Coordinator.
2. Submit additional assignment to your PTC instructor (as instructed).

### When will my PTC credits be banked with TCNJ?

In August, TCNJ Off-Site Graduate Programs will contact all PTC students who have banked credits via email. The email will provide information on how to obtain official transcripts and how to later matriculate into a TCNJ graduate program.

### Will I need to apply to a TCNJ graduate program to bank my PTC course?

It is not necessary to be matriculated in a program of study to bank credit. Students may bank or take their first four (4) courses with TCNJ by completing a [visiting student application](#) (no supplemental material or fee required).

### PTC participants may transfer in one of the following to TCNJ:

1. Four PTC courses
2. Two PTC courses and two faculty approved external transfers
3. Two faculty approved external transfers

*Banked PTC courses are good for 6 years prior to admission into a graduate degree or certificate program.*

### Admissions Information

1. Overseas Visiting Students - Students under this status may take up to four (4) PTC before matriculating into a TCNJ graduate program.
2. Matriculated Students - Students planning on completing a TCNJ graduate degree or certificate program must [apply for matriculation](#) by submitting the following admissions materials:

- Completed Graduate Application/Application Fee (\$75)
- Official Undergraduate Transcripts (evaluated if earned outside of the US)
- Two Letters of Recommendation
- Essay
- Standardized Test Scores (for degree programs only)
- Resumé
- Copy of Teaching Certificate (for certain certificate programs)
- Addendum (Counseling Program ONLY)
