## UPCOMING EVENTS

### Fall 2023 Semester

The Fall semester runs from August 29-December 19 and OSGP course offerings will be updated on our website [here](#). In addition to what's already been published, we will offer online sections of the following courses to the global community:

- ELEM/SCED 694 (Introduction to Teaching and Planning) *Weekend synchronous sessions from October 28-November 12*
- SUPV 520 (Staff Supervision) *Saturdays throughout the fall semester*

### OSGP EdFest: Saturday, November 4

We are thrilled to announce that we will once again be hosting an "EdFest" this fall and will be welcoming current students, alumni, and faculty to gather online and share ideas about teaching, leading, and counseling in both global and US contexts. A formal save the date will be communicated and a call for proposals will be opened in the coming weeks. Last year's program and session recordings can be found [here](#). We're looking forward to a great day of learning and reunion!

### Summer 2024

We are excited to announce our *tentative* Summer 2024 in-person dates in Portugal:

Session I: June 24-July 3

Session II: July 4-12

Session III: July 15-24

Online pre/post session and confirmed Portugal dates will be shared on our website and by email in October.

## Goodbye, Portugal

And just like that, we are about to wrap up our Summer 2023 programming in Portugal. Whether you are just now finishing your coursework at Nova, planning ahead for an online post-session course (beginning this Saturday, July 29), or have already returned to your schools for the upcoming academic year, we hope that you are able to take a look back and remember your time with us in Portugal fondly. We thank each of you for spending a piece of your summer with us and for helping to create and solidify our truly dynamic and global community- we are grateful for your many contributions. **Many congratulations to our students who are completing their certificate and degree programs this summer!**

While it's always hard for us to say goodbye to Portugal and to seeing our students in person, we have a lot to look forward to. Please keep an eye on your TCNJ email for details such as:

- Summer 2023 program feedback (non-academic)
- [Fall 2023 class schedule and pre-registration](#)
- OSGP EdFest (Second Annual!)
- Summer 2024 programming in Portugal and online

Please stay in touch and let us know if we can support your course or your schools in any way. As we move away from our time in Portugal, please also feel free to use our [Portugal Facebook group](#) as a place to share memories and connect with your peers- we'd love to see what everyone is up to! This page can be a great resource for networking and job searching.
