

Off-Site Graduate Programs (OSGP)

Course Cancellation Policy

OSGP will do our best to adhere to published class schedules as outlined on our [website](#), under “Course Offerings,” organized by term. OSGP, however, reserves the right to cancel a graduate class if **(low) enrollment** does not reach 10 students or if **an instructor** contracted to teach an OSGP course becomes unavailable due to extenuating circumstances.

Upon course cancellation, students will be notified immediately by OSGP and offered alternate options (if available). Students seeking a tuition refund, please consult [the refund policy published by the Office Student Accounts](#), and students seeking credit to be applied for a future term must directly reach out to OSGP at osgp@tcnj.edu for assistance.
