Beginning Fall 2025, the subject codes for off-site courses will include an "O." All previously completed courses will continue to count toward your program requirements.

* These classes are waived for teachers already certified in an instructional area who are seeking endorement certification (total 15 credit program).

** When completing the master's, students who did not take ESLM 588/688 will take a 3-credit elective to fulfill this requirement.
